

MIX: Michigan Instruction Exchange

Save the Date: Friday, August 5, 2016

Location: Macomb Community College
Professional Development Center at Macomb
University Center, Clinton Township
<https://goo.gl/maps/C5NhUAvh7V12>

Wayne State University Library System and
Macomb Community College Librarians
partner to host the 3rd Biennial MIX
Conference (Michigan Instruction Exchange).

We invite our fellow academic library
instructors from across the state to join us in
this continuing conversation about student
engagement and library instruction.

This year's program will focus on
information literacy skills and High
School/College transition, impact of Common
Core, and High School/College partnerships
with academic libraries. We will also have a
discussion about the future relationship of
MIX and MI-ALA (Michigan Academic
Libraries Association).

Call for proposals and registration
information will be forthcoming.

Please reserve Friday, August 5 on your
calendars to attend.

We hope to see you there.

MIX

Bringing Together Michigan Academic Library Instructors Since 2012
