

Take control of your health insurance decisions!

Learn how to make the Smart Choice

Not sure how to shop for or choose health insurance?

MSU Extension educators are trained to help you make the best health insurance decision for yourself and your family. Through this online workshop people will learn how to:

- » Analyze your health insurance needs
- » Learn important terms and concepts
- » Compare health insurance plans
- » Understand available resources
- » Take the next step in purchasing health insurance

Visit aca.msue.msu.edu for more information on the Smart Choice workshops and more.
