2024-25 OST Grant Information Session

Interested in learning more about Michigan's Out-of-School Time (OST) Grant? The 2024 OST Grant opportunity is just weeks away and we're planning a trip to a community near you to talk about it!

Representatives from MASP and MiLEAP will share information and resources to help potential applicants navigate the RFP process, learn about applicant eligibility and grant requirements, and discuss grant writing tips and other resources related to the 2024 OST Grant. Past and potential applicants are encouraged to attend. Light refreshments (in-person events), networking with potential partners, and opportunities for Q&A and technical assistance will be provided.

1. **Grand Rapids**
   August 5th, 2024
   1:00PM-3:00PM
