A Letter from TLN and The Tech Forum Committee

We are truly sorry to inform you that Tech Forum 2026, originally scheduled for Friday, September 25th, has been canceled due to a loss of venue for this year and an abbreviated time line for planning.

We know this is not just a change in schedule. Many of you set aside time, made travel plans, and were looking forward to being part of this experience. We understand how disappointing this news is, and we truly regret the disruption.

This was not a decision we made lightly. We explored every possible option before arriving at this outcome, and we recognize the impact it has on everyone involved, including you.

We appreciate your understanding and hope to welcome you again for Tech Forum 2027.

Sincerely,

Damon Dye
