

Journalist Jonathan Eig will join us on Zoom for a conversation about his new book *King: A Life*.

Vividly written and exhaustively researched, Jonathan Eig's *King: A Life* is the first major biography in decades of the civil rights icon Martin Luther King Jr.—and the first to include recently declassified FBI files.

In this landmark biography, Eig gives us an MLK for our times: a deep thinker, a brilliant strategist, and a committed radical who led one of history's greatest movements, and whose demands for racial and economic justice remain as urgent today as they were in his lifetime.
