

# HOMESCHOOL EXPLORATIONS

Come explore different topics with fellow homeschoolers on the second Monday of each month.  
*No registration is required. All ages welcome.*

## Main Library Children's Program Room Mondays, 1 p.m.

**October 9:** Parent/Child Library Scavenger Hunt and Explore Library Databases

**November 13:** Authors and Illustrators - *Fun with Seuss and Willems!*

**December 11:** Lego Day! *Build, play and learn with Legos!*

**January 15:** Dr. Martin Luther King Jr. Day Community Celebration - check for times and activities throughout the day (no program this month specifically for homeschoolers)

**February 12:** STEM - Explore fun STEM activities (*Science, Technology Engineering and Math*).

**March 12:** Game Day - *Come play board games, card games and more.*

**April 9:** Play and Learn with Plastic Eggs! (*Bring a package or two of plastic eggs to make some activities to take home.*)
