THE PROGRAM

THE TEAM

How often do you get to say that the work you do every day directly impacts your community? Working for one of the largest communities in Michigan, every employee of the City plays a role in innovating living of the community members living, working, or visiting Sterling Heights. Our interns are paid \$18.00 hourly and receive employee perks like resident rates for Parks & Recreation programming amenities, free library cards, and more!

Our college internship program is designed to provide a challenging and supportive internship experience that has a direct impact on the Sterling Heights community. Interns receive on the job training and day to day responsibilities that not only contribute to the mission and goals of the team they're working with, but will provide meaningful experience that can be taken into your career after graduation. Learn more about how a local municipality operates, and apply knowledge from your coursework in a real-world setting!
