How will federal funding cuts affect my library services?	How will federal funding cuts affect my library services?	How will federal funding cuts affect my library services?	How will federal funding cuts affect my library services?	How will federal funding cuts affect my library services?
Public libraries are largely funded by local taxes. However, IMLS provides significant funding for MeL, project-based grants, and professional development. Without IMLS, the state must cover the shortfall or risk losing these services.	Public libraries are largely funded by local taxes.
