2015-16 Great Michigan Read **Station Eleven**

by **Emily St. John Mandel**

Station Eleven is the story of the Traveling Symphony, a troupe of Shakespearean actors and orchestral musicians traveling the shores of the Great Lakes in a post-apocalyptic Michigan. Striving to maintain their humanity in the altered landscape of a world where 99% of the population has been wiped out by flu pandemic, the Traveling Symphony operates under one credo: "Survival is insufficient."
