

HUMAN LIBRARY®

unjudge someone.

Saturday, August 3 @ 11am

Petoskey District Library will be the first library in northern Michigan to provide human “books” to check out through its partnership with Denmark’s Human Library© organization. The Human Library© is a library of people, where readers can borrow human beings serving as open books and have conversations not normally accessible. Every Human Book represents a group in our society that is often subjected to prejudice, stigmatization, or discrimination because of lifestyle, diagnosis, belief, disability, social status, or ethnic origin. During the event, you’ll check in with a librarian and choose which Human Book you’d like to talk to, then have a conversation to learn more.
