

Employment Opportunities Head of Technology Services

Chelsea District Library (CDL) is seeking a head of technology services. This person understands the necessity and value of technology in the public library's ability to transform lives in small and large ways.

As the head of technology services at CDL, you will find opportunities to share and learn in a team environment. In this position, you will join the library staff and board in developing the resources, programming, and services that enable the library to achieve its mission and implement its strategic plan.

Why Chelsea District Library?

CDL is a nationally recognized library located in historic downtown Chelsea with a mission to engage, inspire, and equip through evolving resources and service. An integral part of the Chelsea community, we provide patrons of all ages with a variety of services, resources, and programs to meet the educational, recreational, and informational needs of the community we serve. We truly believe that coming to work every day should be fun, challenging, and supportive! We look forward to hearing how you can support our mission and contribute to our culture.

Pre-interview questions (to be submitted with application materials):

- How do you see the role of head of technology services responding to our library's mission and strategic plan?
- What qualifications and qualities are important in the role of head of technology services in a public library setting ? Describe at least three.
- How do you see Artificial Intelligence impacting the public library over the next five years?

Items to submit (in a single PDF file):

1. Cover letter
2. Resume
3. Answers to pre-interview questions
4. CDL job application
