From Earth to Eternity—the Global Race to Explore and Conquer the Cosmos

The next space race has arrived—driven by rival nations, billionaire-funded ventures, and breakthrough technologies all vying to alter the balance of power on Earth and beyond.

In *Open Space*, journalist and space industry analyst David Ariosto gives us a front-row seat to the future.

In this global odyssey, we meet the visionaries who are dreaming up the future and the engineers and physicists who are making science fiction a reality.
