

Mosaic Leadership Academy

Developing leaders for an inclusive world

LEADERSHIP & SCHOLARSHIP OPPORTUNITY

Grounded in Madonna University's Franciscan values, the Mosaic Leadership Academy promotes an appreciation of diversity, inclusion and respect for persons of all cultures, races, backgrounds, beliefs and experiences.

Mosaic Scholars are a diverse group of academically well-prepared undergraduate students from a wide array of majors, aiming to advance as leaders, engaging in service for the common good, and preparing for careers in an inclusive global economy. Coming from traditionally underrepresented backgrounds, Mosaic Scholars engage in meaningful educational and experiential learning opportunities.

DIVERSITY & INCLUSION

FOUR PILLARS

Through our four pillars, **Leadership, Service, Career, and Diversity & Inclusion**, we empower students to excel academically and flourish as members of a social and inclusive workforce.

Employers hire well-prepared, diverse, and culturally minded employees who are ready to serve. Our graduates are vital resources in the workforce and the broader community.

“Mosaic leadership helped me in my current profession by understanding the significance of building meaningful connections and relationships.”

- DeMario Thurmond, City Council Committee Clerk, Detroit City Clerk’s Office
