Vea Reporting Platform

Our Solution

SafeSpace Occupancy Monitoring

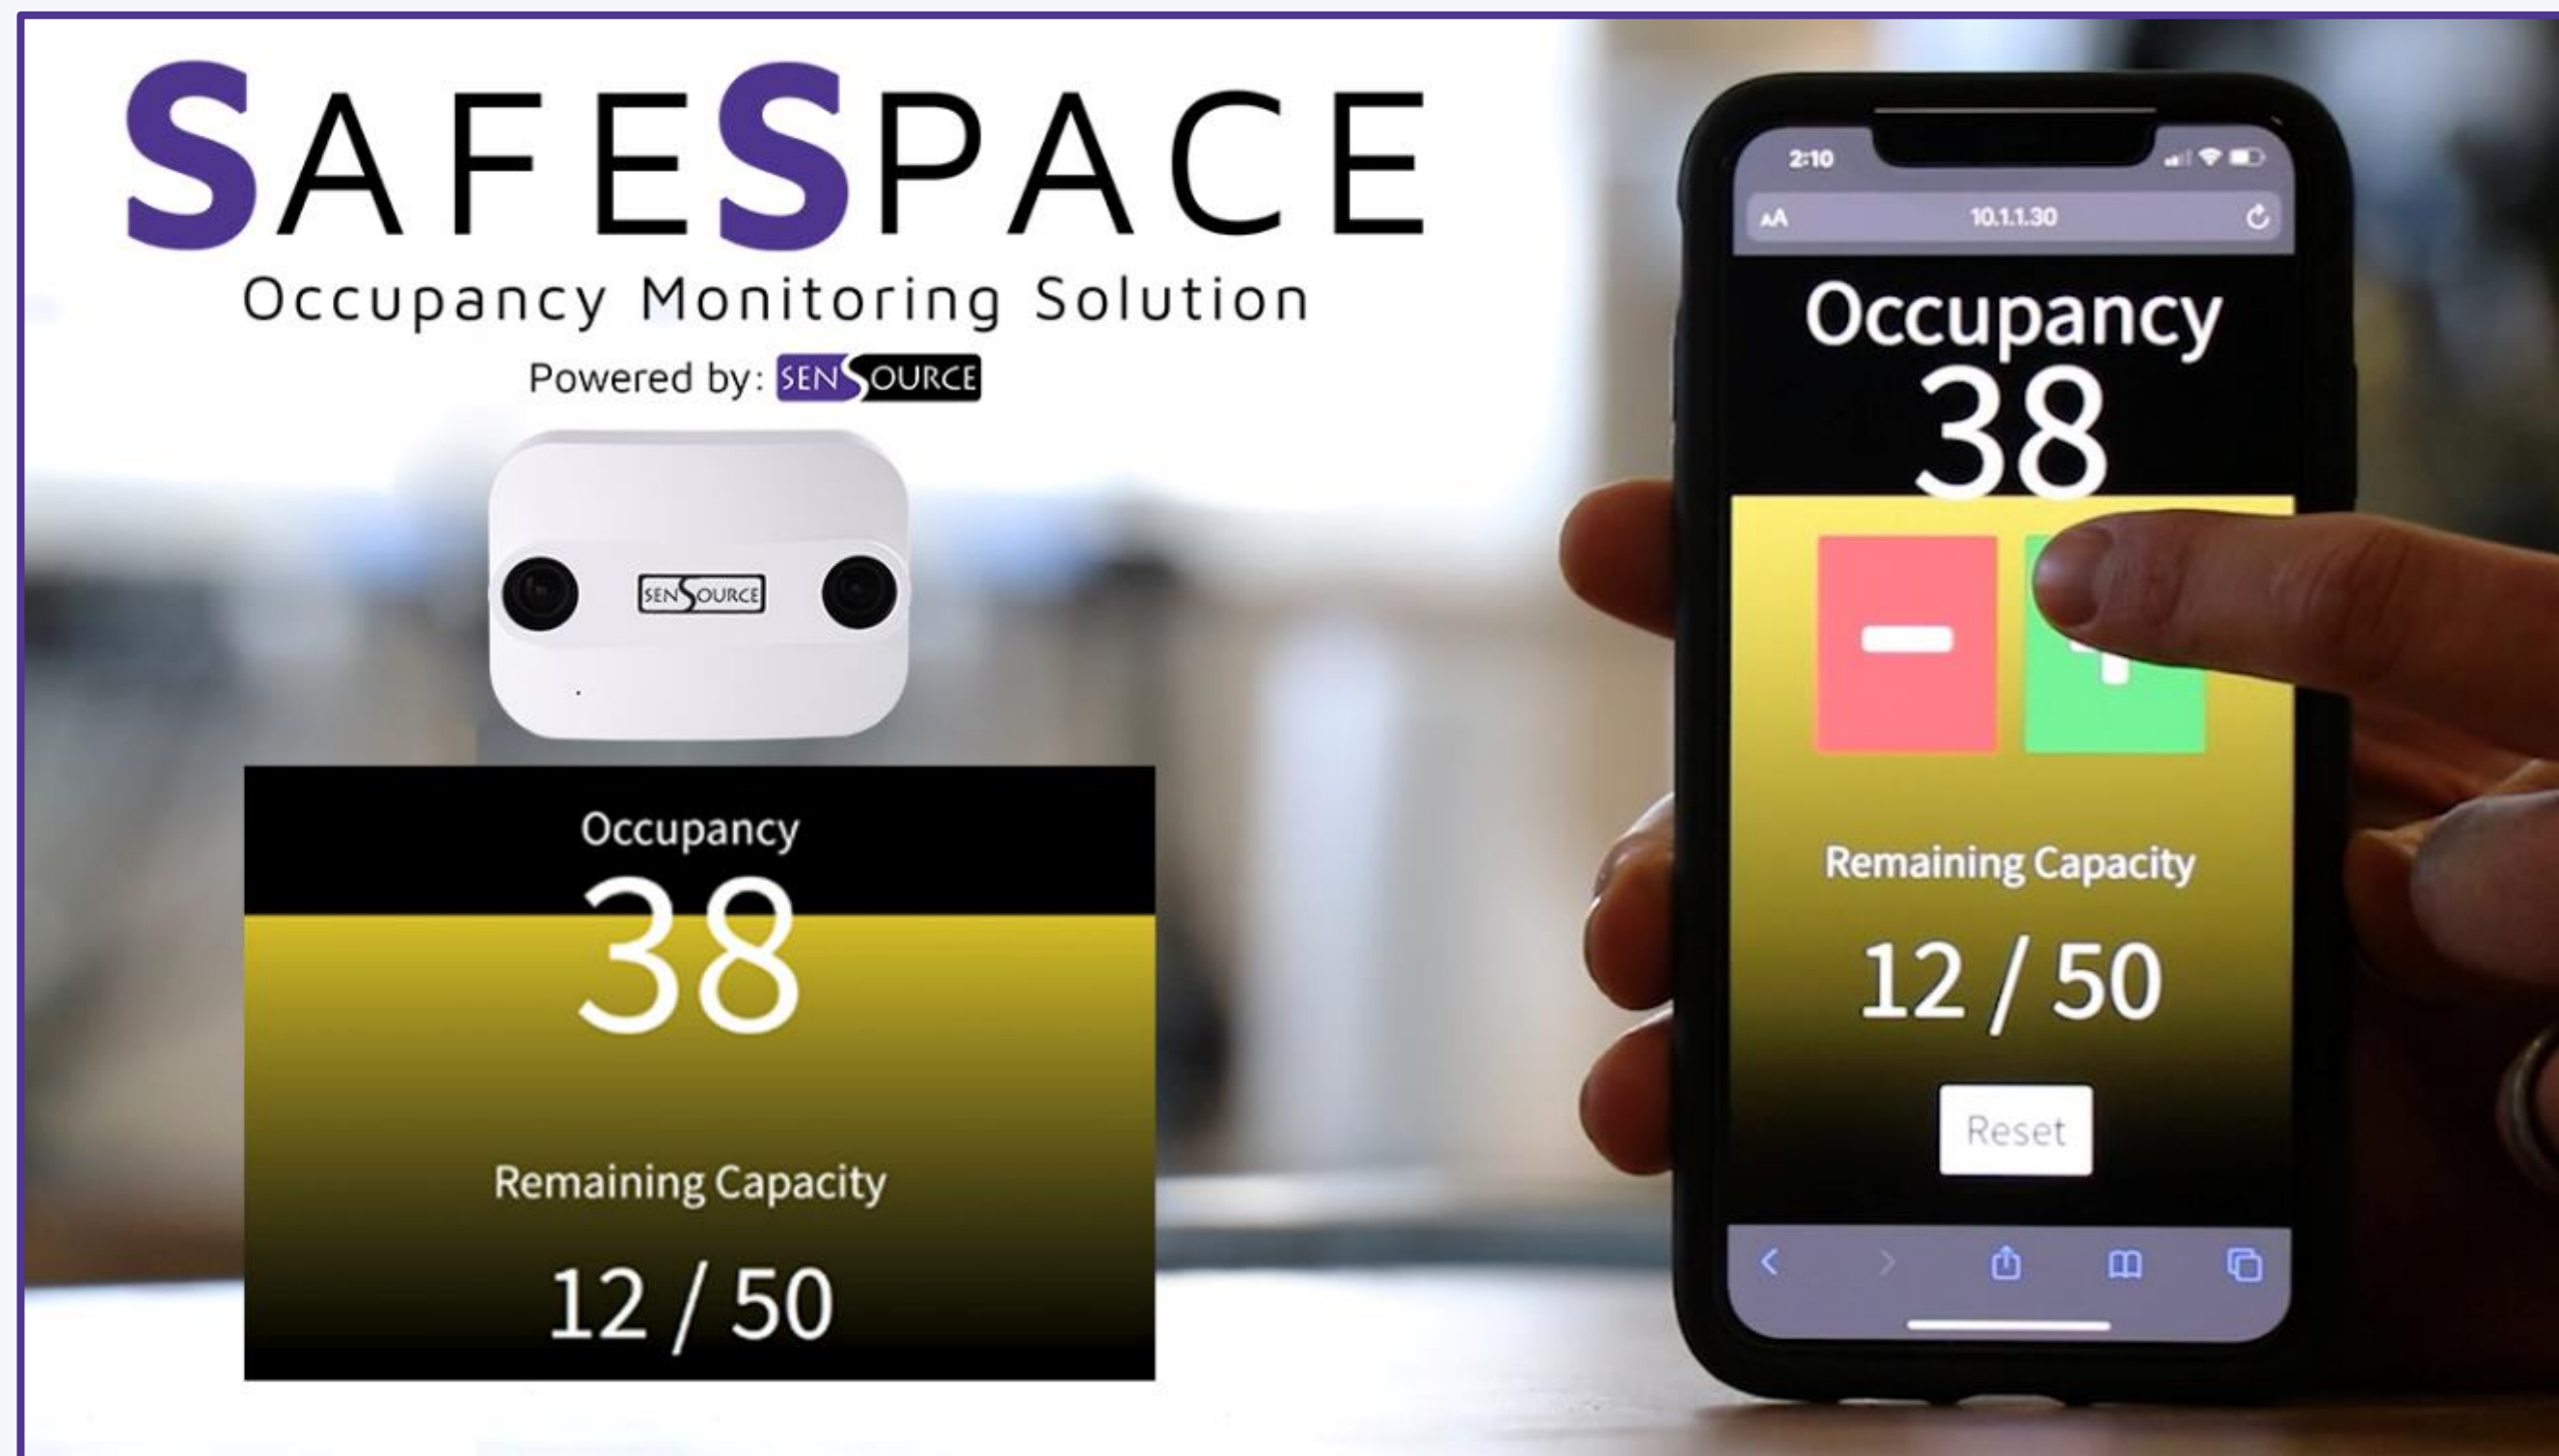

Our Solution

- Libraries are in the “re-opening phase” and need to do it quickly and safely
- Staff and patron safety is priority #1
- Show your patrons you care with the SafeSpace heads-up display options
- Frees up resources, provides accurate counts, builds accountability and trust.
- Historical data can provide compliance reports to make sure you can continue to keep your doors open

SafeSpace Occupancy Monitoring

Our Solution

Automated and/or Manual

Synced Data for Real-Time Status

Patron Facing App for TV or Tablet
