

FrankenSlam:

Where Poetry Is Alive! It's Alive!

Saturday, October 13, 2-4 pm

Liberty School Auditorium in Saline, MI

This poetic celebration begins with a hybrid lecture & performance exploring Mary Shelley's influence on artists ranging from bards to hip hop.

After the performance participants are invited to create their own "horrorcore poem" in an interactive writing workshop.

Echoing Lord Byron's ghost story challenge, that inspired *Frankenstein*, the event concludes with a Frankenslam, where all are invited to share their poetic creations at the mic.
