

Pure Michigan

Talent Connect training

The Pure Michigan Talent Connect team is holding multiple training webinars this Winter 2015 to show users how to get the most out of using MiTalent.org.

Job Seeker Training includes:

- Creating an effective user profile
- Performing effective job searches
- Setting up email notifications
- Editing your profile
- Other available resources

Employer Training includes:

- Posting a job
- Searching for candidates
- Performing email blasts
- Maintaining your job postings
- Other available resources
